1.000 A WREE THIS IS THE SUM THAT BONDISCOUNT SERIES and to be making a week on the extraordinary sales of the NAW YORK LEDGER. At first he lost
money by the thousands of dollars, that is, he lost (b) it is advocisting and in employing popular writers for his paper. Look
at the result. The Ledger has now a circulation of 127,000
copies. The independent, his observer, the advocave and
Journal and the Evangelist have here cofore been considered
our most extensively circulated weeklies, but now the Ledger
has thirty or losty thousand more than all of them put together. has thirty or forty thousand more than all of them put together.

A NOTHER NEW STORY, MAGNIFICENTLY ILLUS. I trated, entitled ASTEKA CARLISLE, by that popular authories. Mary Stanley W. Cibson, will be commenced in THE NEW YORK LEDGER for next saturday. It will be runcembered that Fanny Fern and Sylvanus Cobb, Jr., now write exclusively for The New York Ledger. Notther of them will write a line for any other paper hereafter. The Ledger is beautifully illustrated every week, and sold at the astocialisely low price of four cents, the name as the common weekly paper charge. Buy if once and take it home with you, and we will guarnoted that you will never be without it.

A LABGE FAGE ENGRAYING, FEDM A UNIVER! Asally admired new painting, besides several other beautiful in HE NEW YORK LEDGER for next Saturday. The Ledger is by far the most popular family paper ever published in the United States.

the United States.

A LOVE OF A PAPER "—THIS IS WHAT ALL THE ladies style THE NEW YORK LEDGER. But the men, they dur't like it so well, because they are compelled to bring it home every Saturday night, or meet with "co'd reception" when they reach their domining. Foorfellows, we pity them!

them!

ON'T ADVERTISE UNLESS YOU KNOW HOW,—IT IS

one thing to advertise, but quite a different thing to know
how to advertise. The war in which the Naw YORK LRDGE is has been advertised is a critical instance of what liberal

If AOM THE HOME JOURNAL, MAY 24.—IT HAS BEAN YORK LEDGER, evinces a species of 'mandreas' in Receiping up such an increeose outlay in the way of advertising his paper. If ro, there is admirable "method in his madness," which has succeeded in increasing his subscription list to one hundred thousand. The truth is Jonnet is a regular member of the "craft," and icels a protessional philathropy to ward the whole fraiernity. There are no "metics and bounds," to his enterprise, so that it may well be feared, from present to his enterprise, so that it may well be feared, from present of the "craft," and the season of the day in the season of the day in the season of the day in the season of the

however, the number has increased to sixy thousand, eighty thousand, one hundred thousand and this last week to one hundred and en thousand. Mr. B., we are corry to say, still continues to be a good deal deranged. For instance, he mistar that this great increase is owing to his system of advertisance that it was good policy for him to waste his money in advertising.

NEWSMEN-REMEMBER THAT IN THE MEXT NUM-ber of the NEW YORK LED JEE, to be issued on Satur-day, a new story will be commenced. Look cut and order a full supply, so that you will not run abort of the first number of the labs this time. We have had the type set up twice for the lad get this west comething that has never been done be-lorders in good assoon. Our cruciation is now 127,000 copies the new story will doubtless run it up to 150,000. Look out and send in your orders in season. FORE SUCCESS OF THE NEW YORK LEDGER IS,
